

TAKE BACK CONTROL – SELF IMPROVEMENT CLASS

(PASTORAL CARE / WELL-BEING CLASS)

The screenshot shows the Google Classroom interface for a class titled "Take Back Control - Self Improvement Class" under the category "Student Development / Pastoral Care". The class code is "ixxfvtf" and the meet link is "https://meet.google.com/lookup/dfrhmk7bq". The interface includes tabs for Stream, Classwork, People, and Grades. A banner at the top features the class title, code, and meet link, along with a graphic of a hand holding a coin. Below the banner, there is an "Upcoming" section showing a due date of May 11 at 11:00 AM for "Truth is Power". A post by Mark Robert Wetzal, dated May 11, encourages students to join the meeting at the provided link. The bottom of the screen shows a Windows taskbar with various open applications and a search bar.

This screenshot displays the "Class Work and Projects" section of the Google Classroom interface. It lists several assignments and projects with their respective due dates or posting times:

Program Overview

CATCH My Breath is an evidence-based¹ youth nicotine vaping prevention program that will provide your students with the skills to resist peer pressure and media influences to try e-cigarettes. The sessions can be taught during a normal class period, during homeroom, student enrichment time, after-school, or at other non-school activities and clubs. CATCH My Breath is offered as an additional unit to the Coordinated Approach to Child Health (CATCH) Middle School Program, and is part of the CATCH pre-K-8th grade collection of healthy nutrition and physical activity programs. To learn more about CATCH programs, materials, and training, visit the [CATCH Global Foundation website \(http://catchinfo.org/\)](http://catchinfo.org/).
