Sheikh Zayed Sustainability Prize - Competition Open to all students

As the UAE's pioneering annual global award for recognizing organisations and high schools for their innovative, inspirational and impactful solutions, the **Zayed Sustainability Prize's 20by2020** initiative is also guided on its mission by the UAE's Year of Tolerance. In 2019, the UAE united in celebration of Sheikh Zayed's values of inclusiveness and compassion – championing aid to the people of all nations, creeds, and cultures.

THOUGHTS AND PLANS FOR NEXT YEAR...

As your Guidance Counselor, I'm here for you - to discuss with you any concerns and thoughts you have regarding current happenings or your plans for next year, including college or work plans after High School.

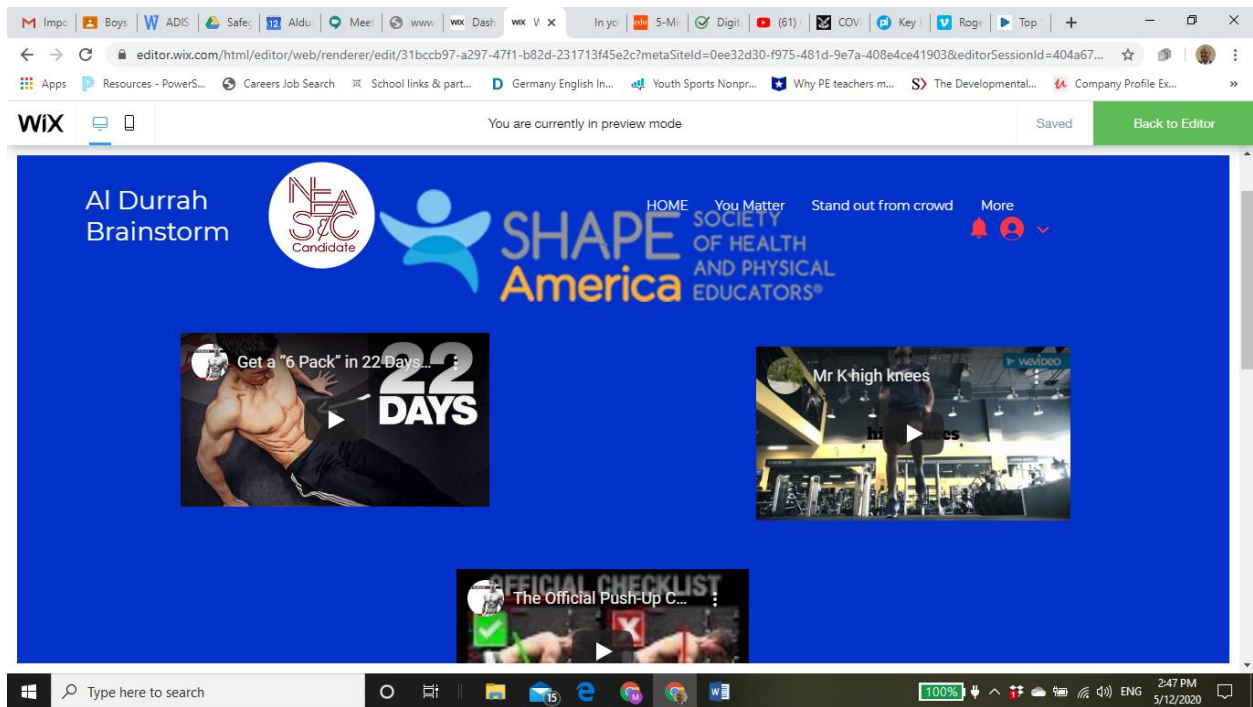

As Head of the Boys Section, I have the added benefit of knowing the full course sequence and your transition into high school. As your Guidance Counselor, my primary concern is your well being both here in our school and as you move on to achieve your goals after high school.

Our futures are built on one step at a time. Take a step towards your future and click on the "Schedule Advisory Appointment on the right" Even if you're not sure what the next steps are for you, - just click the button to the right to schedule an online appointment!

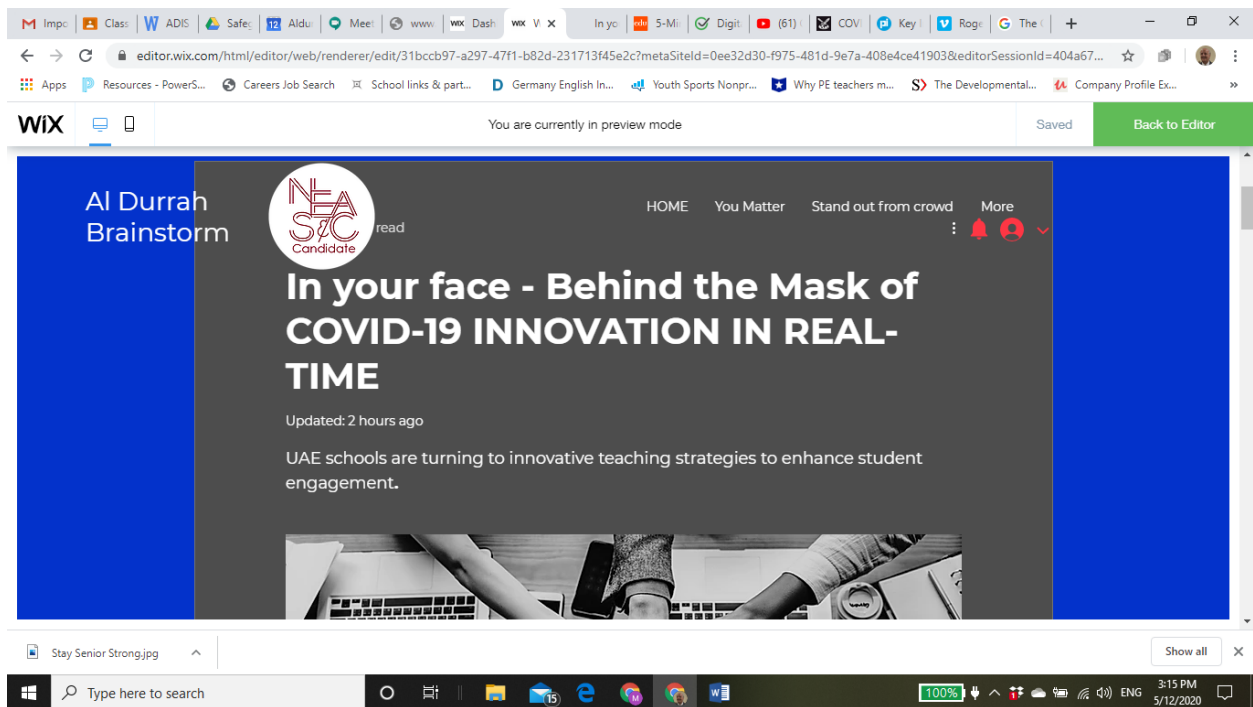

I look forward to meeting with you!
